

Chapter 13

13.1 Self Check

Of the traffic offenses listed in the section above, which do you think is the most common and why?

The most common traffic offense is speeding, because anyone who drives is easily capable of it and people frequently do not see it as a behavior that causes a social harm.

13.2 Self Check

Why do you think that adultery and fornication are no longer illegal in most jurisdictions?

Changing values, as well as the ongoing emphasis on an individual's right to privacy, have contributed to old adultery and fornication laws being removed from the books.
