

Emerging Adulthood from a Historical and Cultural Perspective

Name _____ Date _____

Complete the following chart while listening to the presentations in class. You may also wish to refer to pages 64 to 72 of the textbook. As you complete this chart, consider the following research questions: How did individuals become educated and employed and leave home in the past? How does one's culture affect the transition to adulthood?

Time Period	Role of Children and Adolescents
Prehistoric Society	
Pre-Industrial Youth	
Industrialization and Urbanization	
Development of Schooling	
Changing Workplaces in 20th Century	
Middle-Eastern Islamic Families
