

Where's The Error?

Careless Carol is administering medications, and your job is to double check her accuracy. She is filling the following orders:

- Duragesic 75 mcg/h patch
- Metformin XR 1000 mg tablets
- Aerobid 3.5 g inhaler solution
- Tigan 100 mg suppository

The following labels are the products that Carol has selected to administer.

Where's the error?
