3 Physician-Assisted Dying: New Frontiers		52
<i>Some History</i>	52	
Voluntary Euthanasia in the Netherlands	52	
Jack Kevorkian	53	
Dr. Quill: Another Approach to Dying	55	
Dr. Pou's Case, Continued	56	
Oregon's Legalization	56	
Background: Ancient Greece and the Hippocratic Oath	57	
Dr. Pou's Case, Continued	58	
The Nazis and "Euthanasia"	59	
<i>Modern Developments</i>	60	
Recent Legal Decisions	61	
<i>Ethical Issues</i>	61	
<i>Direct Arguments—Physician-Assisted Dying</i>	62	
Killing Is Always Wrong	62	
Killing Is Not Always Wrong	62	
Killing versus Letting Die	63	
Relief of Suffering	64	
Cries for Help	65	
Patient Autonomy	66	
<i>Indirect Arguments about Physician-Assisted Dying</i>	67	
The Slippery Slope	67	
Depression and Unbearable Symptoms	69	
Inefficient Means	69	
A Financial Empirical Slope?	70	
The Roles of Physicians	70	

Mistakes and Abuses 71
 Anna Pou, Again 71
 Conclusion 72
 Further Reading and Resources 72
 Discussion Questions 73

Part Two
 GROUND-BREAKING CASES ABOUT THE BEGINNINGS
 OF HUMAN LIFE

4	<p>Abortion: The Trial of Kenneth Edelin</p> <p><i>Kenneth Edelin’s Controversial Abortion</i> 74</p> <p><i>The Case in the Courts</i> 76</p> <p><i>Background: Perspectives on Abortion</i> 78</p> <p style="padding-left: 20px;"><i>The Language of Abortion</i> 78</p> <p style="padding-left: 20px;"><i>Abortion and the Bible</i> 78</p> <p style="padding-left: 20px;"><i>The Experience of Illegal Abortions</i> 80</p> <p style="padding-left: 20px;">1962: Sherri Finkbine 81</p> <p style="padding-left: 20px;">1968: <i>Humanae Vitae</i> 81</p> <p style="padding-left: 20px;">1973: <i>Roe v. Wade</i> 81</p> <p style="padding-left: 20px;"><i>Abortion Statistics</i> 82</p> <p><i>Ethical Issues</i> 82</p> <p style="padding-left: 20px;"><i>Edelin’s Actions</i> 82</p> <p style="padding-left: 20px;"><i>Personhood</i> 82</p> <p style="padding-left: 20px;"><i>Personhood as a Gradient</i> 83</p> <p style="padding-left: 20px;"><i>Marquis and Quinn on Potentiality</i> 84</p> <p style="padding-left: 20px;"><i>Viability</i> 86</p> <p style="padding-left: 20px;"><i>The Argument from Marginal Cases</i> 86</p> <p style="padding-left: 20px;"><i>Thomson: A Limited Pro-Choice View</i> 87</p> <p style="padding-left: 20px;"><i>Feminist Views</i> 88</p> <p style="padding-left: 20px;"><i>“God Must Mean for Me to Be Pregnant, Else I Wouldn’t Be”</i> 88</p> <p style="padding-left: 20px;"><i>A Culture of Life or a Culture of Death?</i> 88</p> <p style="padding-left: 20px;"><i>Abortion as a Three-Sided Issue</i> 89</p> <p style="padding-left: 20px;"><i>Antiabortion Protests and Violence</i> 89</p> <p style="padding-left: 20px;"><i>Live Birth Abortions and How Abortions Are Done</i> 90</p> <p style="padding-left: 20px;"><i>Fetal Tissue Research</i> 91</p> <p style="padding-left: 20px;"><i>Emergency Contraception</i> 91</p> <p style="padding-left: 20px;"><i>Maternal versus Fetal Rights</i> 92</p> <p style="padding-left: 20px;"><i>Viability</i> 93</p> <p style="padding-left: 20px;"><i>The Supreme Court Adjusts <i>Roe v. Wade</i></i> 93</p> <p style="padding-left: 20px;"><i>Partial Birth Abortions</i> 94</p> <p><i>Further Reading and Resources</i> 94</p> <p><i>Discussion Questions</i> 95</p>	74
5	<p>Assisted Reproduction, Multiple Births, and Elderly Parents—Time to Regulate?</p> <p><i>Assisted Reproduction</i> 96</p>	96

The Octamom and the Gosselins	96	
Background: Louise Brown, the First Test-Tube Baby	97	
Harm to Research from Alarmist Media	98	
Later Developments in Assisted Reproduction	99	
Sperm and Egg Transfer	99	
Freezing Gametic Material	101	
Payment for Assisted Reproduction: Adoption	102	
Paid Surrogacy: The Baby M and Jaycee Cases	102	
Payment for Assisted Reproduction: Egg Donors	103	
Multiple Births: Before the Octamom and the Gosselins	103	
Older Parents	105	
Gender Selection	105	
<i>Ethical Issues</i>	106	
Unnatural	106	
Physical Harm to Babies Created in New Ways	107	
Psychological Harm to Babies Created in New Ways	108	
Paradoxes about Harm and Reproduction	109	
Wronging versus Harming	110	
Harm by Not Knowing One's Biological Parents?	110	
Is Commercialization of Assisted Reproduction Wrong?	111	
A Need for Regulation?	112	
Screening for Genetic Disease: A New Eugenics?	112	
Designer Babies?	113	
Arguments for Regulation of Fertility Clinics	113	
Arguments against Regulation of Fertility Clinics	114	
<i>Conclusion</i>	114
