

E-INSTRUCTOR

INSTRUCTOR RESOURCE AND SOLUTIONS MANUAL

A comprehensive teaching resource and solutions manual, prepared by the author, is available to instructors. It includes teaching notes, *Thinking like an economist* discussion questions, quizzes, homework assignments and solutions to the end of chapter material.

POWERPOINT® SLIDES

PowerPoint® slides summarise the key points of each chapter. They can be downloaded and adapted to suit a lecturer's requirements, or distributed to students as lecture notes. PowerPoint® slides are also provided on the student website.

TEST BANK – MULTIPLE CHOICE QUESTIONS

This bank contains 40 multiple choice or true/false graded questions for every chapter. It is formatted for delivery in WebMCQ, WebCT or Blackboard formats.

GRAPHICS

Figures from the book are available on the Instructor CD and can be inserted into PowerPoints® or assignments.

WEBMCQ

Set up your own online assignments and exams, using our powerful and flexible online quizzing tool. Sophisticated tracking and reporting capabilities allow instructors to highlight topics where students are weak and target these areas in tutorials.

COURSE MANAGEMENT SYSTEM (CMS)

Course Management Systems allow you to deliver and manage your course via the internet. McGraw-Hill can provide online material to accompany this text, formatted for your chosen CMS. See your McGraw-Hill representative for details.

CONTACT THE AUSTRALIAN AUTHOR

Nilss Olekalns welcomes your feedback and comments on the text. An email link is provided for instructors.

Savings and wealth

Wealth

- The value of assets minus liabilities

Assots

- Anything of value that one owns

Liabilities

- The debts one owes
