Resources for Caregivers xxvii

part 1 Focus on the Caregiver 1

chapter 1

Principles, Practice, and Curriculum 3

What Do You See? 3

Relationships, Interactions, and the Three Rs 4

Caregiving Routines as Opportunities for Three-R Interactions 5

Ten Principles Based on a Philosophy of Respect 5

Principle 1: Involve Infants and Toddlers in Things That Concern Them 6

Principle 2: Invest in Quality Time 7

Principle 3: Learn Each Child's Unique Ways of Communicating
and Teach Yours 9

VIDEO OBSERVATION 1: Baby Crying 10

Principle 4: Invest Time and Energy to Build a Total Person 11

Principle 5: Respect Infants and Toddlers as Worthy People 12

Principle 6: Be Honest About Your Feelings 13

Principle 7: Model the Behavior You Want to Teach 14

Principle 8: Recognize Problems as Learning Opportunities, and Let Infants
and Toddlers Try to Solve Their Own 15

Principle 9: Build Security by Teaching Trust 16

Principle 10: Be Concerned About the Quality of Development
in Each Stage 16

Curriculum and Developmentally Appropriate Practice 19

The Principles in Action: Principle 5 19

Appropriate Practice 20

Summary 21
Online Resources 21
Key Terms 22
Thought/Activity Questions 22
For Further Reading 22

chapter 2

Infant-Toddler Education 25

What Do You See? 25
What Infant-Toddler Education Is *Not* 26
 Infant Stimulation 26
 Babysitting 27
 Preschool 27
What Infant-Toddler Education Is: The Components 28
 Curriculum as the Foundation of Infant-Toddler Education 28
 VIDEO OBSERVATION 2: Toddler Playing with a Tube and a Ball 29
 Implementing the Curriculum 30
 Assessing the Effectiveness of the Curriculum: Observing and Recording 30
 Education as Facilitating Problem Solving 33
 The Principles in Action: Principle 8 33
 The Adult Role in Facilitating Problem Solving 34
 Appropriate Practice 42
Infant-Toddler Education and School Readiness 44
Summary 45
Online Resources 46
Key Terms 46
Thought/Activity Questions 46
For Further Reading 47

chapter 3

Caregiving as Curriculum 49

What Do You See? 49
Thinking Again About Infant-Toddler Curriculum 50
 Planning for Attachment 50
 Policies That Support Curriculum as Caregiving 51
 Assessment 52
Caregiving Routines 53
 Feeding 53

VIDEO OBSERVATION 3: Children Feeding
Themselves 57

Diapering 59

Toilet Training and Toilet Learning 60

Washing, Bathing, and Grooming 61

***** Differing Needs and Perspectives 62

Dressing 64

The Principles in Action: Principle 1 64

Napping 65

Appropriate Practice 68

Summary 70

Online Resources 70

Key Terms 71

Thought/Activity Questions 71

For Further Reading 71

**chapter 4**

Play and Exploration as Curriculum 73

What Do You See? 73

Adult Roles in Play 76

Setting Up Environments for Play 76

Encouraging Interactions and Then

Stepping Back 78

VIDEO OBSERVATION 4: Toddlers Playing Outside 79

Supporting Problem Solving 79

Observing 80

Environmental Factors That Influence Play 82

The Principles in Action: Principle 2 82

Group Size and Age Span 83

Setting Up the Environment to Support Play 83

Happenings 85

Free Choice 86

The Problem of the Match 87

Appropriate Practice 89

Summary 90

Online Resources 90

Key Terms 91

Thought/Activity Questions 91

For Further Reading 91

part 2 Focus on the Child 93

chapter 5

Attachment 95

What Do You See? 95

Brain Research 96

The Principles in Action: Principle 9 100

Milestones of Attachment 100

VIDEO OBSERVATION 5: Toddler “Checking in” While Playing with Chairs 103

DEVELOPMENTAL PATHWAYS: Attachment 104

Measuring Attachment 104

Attachment Issues 106

 Children with Special Needs: The Importance of Early Intervention 108

What Is Early Intervention? 108

DEVELOPMENTAL PATHWAYS: Attachment Behaviors 110

Summary 112

Online Resources 112

Key Terms 113

Thought/Activity Questions 113

For Further Reading 113

chapter 6

Perception 115

What Do You See? 115

Sensory Integration 116

Hearing 118

VIDEO OBSERVATION 6: Boy Exploring Toy Car Using Touch and Sound 119

Smell and Taste 120

Touch 121

The Principles in Action: Principle 7 123

Sight 124

Multisensory Experiences and the Outdoor Environment 125

 Children with Special Needs: Educating Families about the Individualized Family Service Plan 126

DEVELOPMENTAL PATHWAYS: Behaviors Showing Development of Perception 128

Summary 130

Online Resources 130

Key Terms 131
 Thought/Activity Questions 131
 For Further Reading 131

chapter 7

Motor Skills 133

What Do You See? 133
 Physical Growth and Motor Skills 134
 Brain Growth and Motor Development 135
 Reflexes 137

The Principles in Action: Principle 10 138

Large Motor Skills and Locomotion 138

VIDEO OBSERVATION 7: Children Climbing Stairs 140

Small Motor Skills and Manipulation 144

Fostering Motor Development 148

****** Children with Special Needs: Finding Resources 151

DEVELOPMENTAL PATHWAYS: Behaviors Showing Development of Motor Skills 155

Summary 156

Online Resources 156

Key Terms 157

Thought/Activity Questions 157

For Further Reading 158

chapter 8

Cognition 161

What Do You See? 161
 The Cognitive Experience 162
 Sensorimotor Experience: Piaget 163
 Sociocultural Influences: Vygotsky and Piaget 165

The Principles in Action: Principle 8 172

Supporting Cognitive Development 173

Brain-Based Learning 175

VIDEO OBSERVATION 8: Father Diapering Toddler 176

****** Children with Special Needs: Early Childhood Inclusion 177

DEVELOPMENTAL PATHWAYS: Behaviors Showing Development of Cognition 179

Summary 182

Online Resources 182
Key Terms 183
Thought/Activity Questions 183
For Further Reading 183

chapter 9

Language 187
What Do You See? 187
The Progression of Language Development 188
 Receptive Language 189
 Expressive Language 191
What Language Allows a Child to Do: The Cognitive Link 192
The Brain and Early Language Development 192
 VIDEO OBSERVATION 9: Children Eating at Table with Caregiver 193
Fostering Language Development 195
Early Literacy 196
 The Principles in Action: Principle 3 197
 🌐 Cultural Differences, Bilingualism and Dual Language Learners 200
Children with Special Needs: Supporting Parents and Families 204
 DEVELOPMENTAL PATHWAYS: Behaviors Showing Development of Language 206
Summary 208
Online Resources 208
Key Terms 209
Thought/Activity Questions 209
For Further Reading 210

chapter 10

Emotions 213
What Do You See? 213
The Development of Emotions and Feelings 214
Temperament and Resiliency 216
Helping Infants and Toddlers Cope with Fears 220
Helping Infants and Toddlers Cope with Anger 222
 VIDEO OBSERVATION 10: Child Trying to Get Her Turn in a Swing 224
 The Principles in Action: Principle 6 224

Self-Calming Techniques	225
Developing Self-Direction and Self-Regulation	226
The Emotional Brain	228
Children with Special Needs: Challenges and Trends	231
DEVELOPMENTAL PATHWAYS: Behavior Showing Development of Emotions	234
Summary	235
Online Resources	236
Key Terms	237
Thought/Activity Questions	237
For Further Reading	237

chapter 11

Social Skills 239

What Do You See? 239

The Principles in Action: Principle 4 241

Early Social Behaviors 241

Stages of Psychosocial Development 242

 Trust 242

 Autonomy 245

 Initiative 246

Guidance and Discipline 246

 Security and Control for Infants 247

 Limits for Toddlers 247

Teaching Prosocial Skills 249

VIDEO OBSERVATION 11: Girls Playing Together 251

Promoting Healthy Brain Growth 252

 The Special Need of All Children: Self-Esteem 253

DEVELOPMENTAL PATHWAYS: Behaviors Showing Development of Social Skills 255

Summary 256

Online Resources 256

Key Terms 257

Thought/Activity Questions 257

For Further Reading 258

part 3 Focus on the Program 259

chapter 12

The Physical Environment 261

What Do You See? 261

A Safe Environment 262

Creating a Safe Physical Environment: A Checklist 262

A Healthful Environment 264

Creating a Healthful and Sanitary Environment: A Checklist 264

Nutrition 265

Feeding Infants 265

Feeding Toddlers 266

VIDEO OBSERVATION 12: Feeding Routine 267

The Learning Environment 268

Layout 273

Eating 273

Sleeping 273

Diapering 274

Toileting 274

Developmental Appropriateness 274

Appropriate Environments for Infants 275

Appropriate Environments for Toddlers 275

Family Child Care and Mixed-Age Groups 275

The Principles in Action: Principle 8 276

What Should Be in the Play Environment 277

Toys and Materials for Inside 280

Toys and Materials for Outside 281

Assessing the Quality of an Infant-Toddler Environment 281

Balancing Soft and Hard 282

Providing for Intrusion and Seclusion 282

Encouraging Mobility 283

The Open-Closed Dimension 283

The Simple-Complex Dimension 283

Scale 284

Aesthetics 284

Acoustics 284

Order 285

Appropriate Practice 286

Summary 288

Online Resources 288

Key Terms 289

Thought/Activity Questions 289

For Further Reading 289

chapter 13

The Social Environment 293

What Do You See? 293

Identity Formation 294

The Principles in Action: Principle 1 294

Attachment 296

Self-Image 297

 Cultural Identity 297

Gender Identity 301

Self-Concept and Discipline 303

VIDEO OBSERVATION 13: Child in Sandbox (Redirection) 305

Modeling Self-Esteem by Taking Care of Yourself 307

Appropriate Practice 309

Summary 310

Online Resources 310

Key Terms 311

Thought/Activity Questions 311

For Further Reading 312

chapter 14

Adult Relations in Infant-Toddler Care and Education Programs 315

What Do You See? 315

Parent-Caregiver Relations 316

Caregiver Stages of Relating to Parents 316

The Principles in Action: Principle 3 317

Communication with Parents and/or Family Members 318

Service Plan: Focus on the Child 318

Service Plan: Focus on the Family 319

Communication Blocks 320

Opening Up Communication 321

 Issues of Parents of Children with Special Needs 322

Parent Education 326

 Parents of Children with Special Needs 326

VIDEO OBSERVATION 14: Girl Crawling Through Low Window (Parent Ed Program) 327

Early Care and Education Professionals 327

Relating to the Parents of a Child Who Isn't Doing Well	328
Caregiver Relations	329
The Family Child Care Provider	329
Center Staff	330
Respect as the Key to Adult Relationships	330
Overview of Development	332
Summary	334
Online Resources	334
Key Terms	334
Thought/Activity Questions	335
For Further Reading	335
appendix A	
Quality in Infant-Toddler Programs: A Checklist	336
appendix B	
Environmental Chart	338
Notes	350
Glossary	358
Credits	364
Index	365
