## 1 What Is Physical Education? 1

Objectives 1

The Case for Physical Activity in the School 2

The Role of the Classroom Teacher as a Movement Educator 4

Advocating and Providing Daily Physical Activity for Elementary School Children 4

Forming Partnerships with Physical Education Teachers 5

Knowing and Using National and State Standards 5

Enhancing Physical Activity Teaching Skills 6

Supporting the Value of Lifelong Physical Activity 6

Joining Schoolwide Initiatives to Achieve Wellness 6

Physical Education and Movement Defined 6

Learning About and Through Movement 7

Movement Terminology 7

Elementary Physical Education Today 9

Adheres to Principles and Standards 10

Emphasizes Lifetime Physical Activity 11

Connects to the Classroom 12

Recess as Quality Movement Time 14

The Benefits of Recess 14

The Role of the Classroom Teacher 15

## 2 Motor Development and Motor Learning for Children 29

Objectives 29

Introduction to Motor Development and Motor Learning 29

Physical Growth and Motor Development in Children 30

Cognitive Implications for Motor Development 31

Affective Implications for Motor Development 32

Motor Development Concepts 32

Head to Toe Development 33

Torso to Limb Development 33

Factors Affecting Motor Development 34

Readiness to Learn 35

Stages of Performance 35

Motor Learning Concepts 38

Concept of Attention Limits 38

Concept of Transfer 38

Concept of Skill Demonstrations 39

Concept of Task Progression 39

Concept of Feedback 41

Strategies to Facilitate Learning 42

Choosing Appropriate Practice Progressions 42

Keeping Your Opportunities Developmentally Appropriate 43

**ELEMENTS**

- INSTANT ACTIVITY 2.1** Tracking Height 31  
**INSTANT ACTIVITY 2.2** Do We Perform the Same? 36  
**INSTANT ACTIVITY 2.3** Child-Designed Physical Activity 40

### 3 Movement Components and Skill Development 51

Objectives 51

Introducing the Movement Map 51

Body Movements: Ways the Body Moves 53

- Locomotor Skills 53  
 Nonlocomotor Skills 53  
 Manipulative Skills 54

Body Awareness: What the Body Can Do 62

- Transferring Body Weight 62  
 Balancing or Weight Bearing 62  
 Flight 62  
 Shapes 77  
 Focus 77

Space Awareness: Where the Body Moves 77

- Personal Space 77  
 General Space 77  
 Directions 78  
 Levels 78  
 Pathways 78  
 Size 78

Qualities of Movement: How the Body Moves 78

- Time or Speed of Movement 78  
 Effort or Force of Movement 79  
 Free Flow and Bound Flow 79

Relationships: How the Body Relates 79

- Matching Movements 79  
 Contrasting Movements 80  
 Simultaneous and Successive Movements 80  
 Using Equipment 80

The Role of the Classroom Teacher in Promoting Skill Development 81

### 4 Exercise Concepts and Fitness Education 89

Objectives 89

What Is Fitness Education? 89

- Wellness versus Health 91  
 Physical Fitness versus Physical Activity 91  
 Physical Activity versus Exercise 92

Exercise and Health Risk Factors 92

- High Cholesterol 93  
 Hypertension (High Blood Pressure) 93  
 Smoking 94  
 Overweight and Obesity 95  
 Physical Inactivity 96  
 Diabetes 96

The Human Body and Activity 97

- The Engine for Activity: The Cardiovascular System 97  
 The Apparatus for Activity: The Musculoskeletal System 102  
 The Vehicle for Activity: The Body's Composition 105

Implementing Fitness Education in the Classroom 106

- Exercise Principles for Developing Fitness 107  
 The FITT Principle 108  
 Warm Up and Cool Down 108  
 Implementing Fitness Activities 109  
 Fitness Testing 111

The Role of the Elementary Classroom Teacher as a Fitness Educator 112

- Classroom Learning Station 4.1 Coronary Heart Disease Risk Factors 127
- Classroom Learning Station 4.2 How to Determine the Heart Rate 128
- Classroom Learning Station 4.3 Which Muscle Is Which? 130
- Special Event 4.1 Are We There Yet? 132

**ELEMENTS**

- INSTANT ACTIVITY 4.1** Impaired Breathing 95
- INSTANT ACTIVITY 4.2** The Heart Beating 97
- INSTANT ACTIVITY 4.3** Listening to the Heart 99
- INSTANT ACTIVITY 4.4** Determining Heart Rates 99
- INSTANT ACTIVITY 4.5** Heart Rate and Activity 100

## 5 Planning for Children with Diverse and Special Needs 133

- Objectives 133
- Infusion-Based Approach 134
  - Experience Alters Attitudes 134
  - Developing Critical Reflection 134
  - Fear of the Unknown 134
- Understanding and Accepting Diversity 135
  - A Teacher's Fingerprint 136
  - A Child's Fingerprint 136
  - Blending Fingerprints 136
- Disabilities Require a Deeper Understanding 137
  - Journey to Discover Realities 137
  - Reality Tours 138
  - Reality Tour 1: The Perceptions of an Experienced Professional 138
  - Reality Tour 2: The Perceptions of a Caregiver 140
  - Reality Tour 3: The Perceptions of a Child with a Disability 140

## Understanding and Adapting to Disabilities 141

- Requirements by Law 141
- Inclusion 142
- Collaboration 143
- Learning Disabilities 144
- Mental Disabilities 145
- Emotional and Behavioral Disturbances 147
- Sensory Impairments: Visual 148
- Sensory Impairments: Auditory 151
- Orthopedic and Physical Impairments 151
- General Modifications 154

**ELEMENTS**

- INSTANT ACTIVITY 5.1** Similarities and Differences 137

## 6 Physical Education Curriculum 165

- Objectives 165
- What Does a Quality Elementary Physical Education Program Look Like? 166
  - Program Characteristic 1: Developmentally Appropriate Activities 166
  - Program Characteristic 2: Skill and Fitness Improvement 167
  - Program Characteristic 3: Promotion of Physical Activity 167
  - Program Characteristic 4: Facilitation of Learning 168
  - Program Characteristic 5: Maximization of Active Learning Time 169
  - Program Characteristic 6: Indirect Competition and Cooperation 169
  - Program Characteristic 7: Inclusion of Many Movement Forms 169
  - Program Characteristic 8: Integration of Academic Content 170
  - Program Characteristic 9: Ongoing Student and Program Assessment 170

Program Characteristic 10: Compliance with Federal Mandates 170

Program Characteristic 11: Appropriate Instructional Time 171

## Who Is Responsible for Quality Physical Education? 172

### How to Build a Quality Elementary Physical Education Program 172

Selecting a Guiding Philosophy 173

Establishing School-Level Program Goals 173

Determining Grade-Level Goals and Benchmarks 174

Developing the Scope and Sequence for Program Content 175

Writing Lesson Plans 178

Assessing Students 181

Assessing Program Effectiveness 185

### How to Use Existing District Curriculum Guides 187

Content of the Curriculum Guide 187

Using the Curriculum Guide 187

## 7 Managing and Teaching the Physical Education Lesson 195

### Objectives 195

### Organizing and Teaching the Lesson Content 195

The Typical Physical Education Class 197

Organizing the Physical Education Lesson Content 197

Teaching the Physical Education Lesson 198

### Providing Feedback to Students 208

Guidelines for Quality Feedback 208

Individual versus Group Feedback 209

Sources of Feedback 209

### Organizing Students for Activity 209

Common Organizational Routines 210

Using Routines to Reduce Management Time 211

Transitioning from One Activity to Another 212

Supervising Class Activities 214

### Helping Students Choose Responsible Behavior 216

Establish a Caring Community in the Classroom and Gymnasium 216

Teach Social Skills to Shape Student Behavior 218

Implement Appropriate Self-Management Techniques 218

Shared Responsibility 221
