Birthday Sort

Directions: Ask five friends or family members for the following information: birth
month, birth day, number of brothers, and number of sisters. Create an Excel spread-
sheet and enter the information. Include five columns for Last Name, First Name,
Birth Month, Birth Day, Number of Brothers and Sisters. Sort the information by
birth month, birth day, number of brothers and sisters. If your teacher allows, print
your completed Excel spreadsheet and turn it in with this worksheet. Be sure to write
your name on your spreadsheet.
