UNIT **6** **Databases** **Project 2**

4 Independent Practice (page 289)

Organize Your Theme Park Database

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

	Student Checklist		Teacher Evaluation
Criteria	**Completed**	**Not Completed**	**Comments**
Complete Project 1, Independent Practice 4 (p. 278)			
Organize the information in the database from the most to least expensive park			
Organize the information in the database by the park with the most number of rides to the park with the least number of rides			
Organize the information in the database from the park location that is the closest to park location that is the furthest			
Based on your results, rank the theme parks from best to worst			
Use correct spelling, punctuation, and grammar			
Edit your database to make sure it is clear and free of any errors
