Projects Across the Curriculum 1 (page 352)

Your Favorite Technology

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

Criteria	Student Checklist		Teacher Evaluation
	Completed	Not Completed	Comments
Create a presentation about one type of technology that you would not want to live without			
Use the Internet or print sources to research your technology			
Write down at least five facts about the history of your chosen technology and five facts about how your technology works			
Create a presentation of at least six slides including: a title slide, four slides describing how the technology works and its history, and one slide about why the technology is important to you			
Apply a template to your presentation			
Add graphics and transitions to your presentation			
Add speaker's notes to your presentation			
Use correct formatting, spelling, punctuation and grammar			
Edit to make your presentation clear and free of errors
