Projects Across the Curriculum 2 (page 417-418)

Create a Computer-Use Newsletter

Directions: After you have finished your project, determine whether you have completed the criteria listed in the left column. Fill in the checklist in the shaded columns below and then turn the rubric in to your teacher along with your project.

Criteria	Student Checklist		Teacher Evaluation
	Completed	Not Completed	Comments
Use Word to create a computer-use survey			
Give the survey to 20 people at your school			
Use Excel to create a worksheet showing the results of your survey			
Convert your category totals into percentages of your total survey results			
Make a pie chart showing the percentage results for each type of computer use			
Use Word to create a two-column newsletter summarizing your survey results, including a WordArt title and your chart			
Use correct spelling, punctuation, grammar, and formatting			
Edit your worksheet and chart to make sure it is clear and free of any errors
